MEMORANDUM

TO: Athletic Promoters

FROM: Keith E. Warren
Executive Director

DATE: June 8, 2020

RE: Athletic Events Beginning June 15, 2020

The number one goal is to protect the health, safety and welfare of participants, promoters, and spectators with the new health guidelines. Our primary objective is to adhere to guidelines of proper hygiene and social distance guidelines to do our part in not spreading the coronavirus.

It is very important for you to communicate with your entertainment venue for your event, local health department for any additional guidelines regarding spectators and the use of personal protection equipment while in attendance. AAC will be present for the weigh-in and will be present prior to the event for licensing. **However**, we are encouraging everyone to submit licensing applications and required documents to the office prior to the event to reduce the amount of paperwork passed around at the event. Staff will be equipped with PPE's and will have certain guidelines for on-site licensing and pre-screening of everyone prior to entering the facility. **Due to COVID-19 and the safety of our Officials, Staff and Commission Members, we will only approve one event permit application per day. The staff will not hold dates based on emails, phone calls, etc. A completed permit application along with payment must be received in order to place your event on the calendar.**

AAC Commissioners and Staff appreciates your cooperation and patience during this time. These guidelines have been thorough reviewed and discussed in cooperation with the Medical Advisory and in addition to reviewing other states as well.
