### Alabama Athletic Commission

#### On-Site Event Guidelines

Effective June 15, 2020

**\*\* Please note – Entertainment Venues have additional guidelines they must follow for all events. AAC does not override any requirements or guidelines issued by city or county officials.**

The Alabama Athletic Commission (hereafter AAC), in an effort to protect the health and safety of the fighters, managers, trainers, promotion, commission staff and the public, has developed a list of on-site procedures that are to be followed for any event held inside the State of Alabama.

#### Friday – Weigh-In

- 1) AAC Staff will screen all competitors and individuals at the facility entrance. There will be a designated area to stand until you are screened prior to leaving the area.
- 2) Once screened, competitors that have their current AAC License, National ID and Driver's License along with a Negative COVID-19 Test Results, will be directed to proceed into the facility.
- 3) Those that need to be licensed prior to the event will be directed to another area (social distance guidelines in place) to complete their paperwork. To reduce the exchange of documents and money, please have correct change or a money order in the exact amount. We will not have change or be able to accept debit or credit cards at this time.

#### Saturday

- 1) AAC Staff will screen **everyone** entering the facility.
- 2) Competitors are to arrive 30 minutes prior to schedule physical time.

- 3) After being screened, the competitors will go to a holding area to retrieve medical forms from AAC staff for physicals and wait to be called by a physician.
- 4) Once competitors are in their area for physicals, any non-combative personnel or officials that need to be licensed will enter the waiting area to be assisted individually. This includes but is not limited to the following: seconds, trainers, managers, referees, timekeepers, judges, corner inspectors/door wardens.

**We encourage everyone to submit applications and required documents in advance however, if you are unable to submit your payment until the day of the of the fight, please keep your completed application and bring it along with your correct payment together. A license cannot be issued without payment so please do not submit an application to the office without payment. Thank you for your assistance and cooperation!**
