**Act # 2021-518**

**Sen. Gerald Allen**

**This act adds the following to the Law and we will be promulgating rules to implement these changes.**

- 1) Include other unarmed combat that is not currently identified by this statute.**
- 2) Provides the Commission the sole authority to regulate any form of unarmed combat held in the state.**
- 3) Allows the Commission to immediately implement medical guidelines that are approved by the medical advisory panel and commission without being pursuant to the Administrative Procedures Act.**
- 4) Add disciplinary procedures for complaints and violations of the statute. Establishes an investigative committee to review all complaints. Also adds the ability for the Commission to assess fines.**
- 5) Repeals sections that required the AG's Office to pursue disciplinary action and civil penalties.**
- 6) Adds authority to petition the circuit court to enforce cease and desist orders and collect fines assessed by the Commission as well as requiring all appeals to be filed in the Montgomery County Circuit Court**

**Please check the website to see the proposed rules for your review and comment. Please contact Keith Warren for questions or comments at [keith@alstateboard.com](mailto:keith@alstateboard.com) or 334-420-7231.**
