Urine Sample Collection for Events with Championship Bouts

Undercard and Minor Title Bouts

- Competitors in Undercard Bouts shall be subject to random drug testing.
- The random drug testing shall be administered by an authorized representative of the Commission.
- Drug testing shall be conducted upon the competitor's arrival at the competition venue.
- Additional urine sample collection, following the bout, may be used for tests that displayed as "hits" and/or positive results for prohibited substances.
- Urine testing shall be conducted using the Integrated E-Z Split Key® Cup II.
- Tests coming back as positive are subject to additional testing by the UCLA Olympic Analytic Laboratory.
- All testing shall be paid for by the promoter.
- Competitors testing positive shall receive a six (6) months suspension and a fine of twenty percent (20%) of their winnings.

Title Bouts

- Competitors in Title Bouts shall be drug tested, unless otherwise contractually specified in the competition contracts.
- Drug testing shall be administered by an authorized representative of the Commission.
- Drug testing shall be conducted upon the competitor's arrival at the competition venue, as well as post bout.
- Urine testing shall be conducted using the Berlinger® Bereg-Kit.
- All collected urine samples shall be sent to the UCLA Olympic Analytic Laboratory for testing.
- All testing shall be paid for by the promoter.
- Competitors testing positive shall receive a six (6) months suspension and a fine of twenty percent (20%) of their winnings.
